ABOUT

JERSEY SHORE CAR SHOWS

Jersey Shore Car Shows, based out of Forked River NJ, is a nationally recognized 501c3 non-profit that organizes automotive events in partnership with local charities to help fundraise and further their mission. We have worked with all type of organizations, but specialize in helping veterans, special needs children, churches, pet adoption and rescues. and local towns and municipalities. In order to continue helping these great organizations, we need your assistance.

For the upcoming season, we need assistance in the following areas:

·Monetary Sponsorships – These help defray the costs of running our events by offsetting the costs of trophies, awards, and other show materials. Monetary sponsorships can be in any denomination you'd like and we can supply you with a letter for use at tax time.

·Items to Raffle – We are seeking the donation of any items or gift certificates to raffle at our events. The funds raised from these raffles will directly benefit the charities we work with by allowing us to increase our donations and support.

Enclosed is information on our sponsorship opportunities for the upcoming season. We hope you will partner with us to help not only strengthen the car culture in our state, but to assist our very deserving charities. Without you, we cannot do what we do!

If you have any questions please feel free to reach out at 732-344-0614
